► SPECIALIZED AFTER SALES SERVICE

We know the importance of a good service after each sale, so we guarantee the best after-sale service through our extensive dealer network.

► GUARANTEED SPARE PARTS

Do not worry about the future of your equipment, we offer spare parts guaranteed for the lifetime of the equipment.

► SAFETY

Work without worries thanks to our professional advice and the confidence to comply with the most demanding European standards in your equipment.

► ISTOBAL, VELYEN' PRECEDENT

We are very delighted to be a reference company in workshop garage equipment with more than 60 years of experience in the automotive sector and a wide range of products and services to satisfy the needs of any workshop.

► MANUFACTURING

Velyen group has over 35.000 m² in Valencia (Náquera and Carlet) and we have a staff of more than 250 employees specialized in manufacturing integrated processes (machining, stamping, tooling, laser welding and assembly)

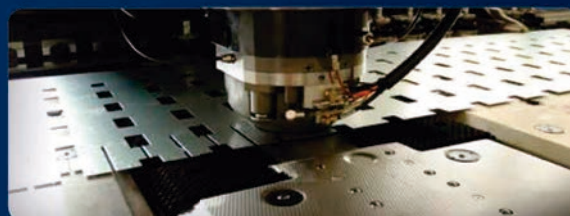

► INNOVATION

Updating our products and looking for future garage equipment are our progress compromise.

Thanks to the efforts of our Research, Development and Innovation department, Velyen promotes and continually renews our product range to cover entirely the requirements of the workshop and be well ahead of the market leaders.

► TECHNOLOGY AND PRODUCTIVE PROCESSES

Velyen invests in leading technology, creating a constant added value for our customers. It is also an incentive to be garage equipment market leader.
